

# Bibliography and References for CPIM

All test candidates should familiarize themselves with the following references for the CPIM exam. The recommended references pertaining to the content area are listed at the end of each section of the content outline. The references listed below can also be found online on the [CPIM Exam References](#) page. A complimentary digital copy of the *APICS Dictionary* is available to ASCM members on the online [ASCM Member Benefits](#) page. It can also be accessed on the Courses & Downloads section of members' [My Account](#) page.
